The event will be called "Christmas and Annual Awards Dinner."

3. Sub committees

Club Relations: Dany has joined the Sub-committee.
Potential ties with Romania and Slovenia have been discussed
Leipzig and Berlin to be approached for friendlies.

Social Media: Allan has begun the quiz on FaceBook, good response so far,
40+ comments for the first question.
Terry has been looking at the new Play cricket website (through
the ECB), but so far it is full of problems, hopes to have more
news next meeting.

Action: Nick and Terry to share info regarding foreign clubs and associations.

4. Website

Currently unable to update the website or make any changes to it due to an access error that is coming from the hosting server, Terry has contacted the guy who hosts the site, he has no idea what could be causing the issue, but is looking further into it.

Possible alternatives to be looked into.

5. Winter League

Two teams have been registered with the CMKS.
Seven teams are confirmed as participating with a possible 8th to be added.
Fees for the league are payable by the 28th November.
Club to collect 600kc from each player in advance.
We would like the CMKS to confirm the venue and fixtures prior to paying the monies to the CMKS.

So far we have had 4 training sessions in the bubble, 8 people in attendance at the first three sessions and 12 at the 4th. Meaning the club has lost 1200kc on Winter league training so far.

Teams: Navoneil presented his spreadsheet for calculating members roles within indoor cricket to aid in the selecting of the squads.
Squads and captains to be decided after the training session this Sunday.

Action: Gary to request match fees from members and reiterate members current match fee situation. Navoneil inform the CMKS that we wish to withhold our registration and match fees until a venue has been confirmed.

Meeting adjourned at: 21:34
