Steve E will captain the Academicals (school staff team) which will include 3 other players who wish to join the PBCC

The boys from ECP will play as a team. They have also expressed the intention of joining the PBCC along with Santosh.

#### Pre CCU Summer League warm up:

- April 2-dayer v. Vinohrady CC tba
- 30-40 overs v Hungarian National Team tba
- End of Summer Tour tba

#### **Summer League:**

• We would like to have TWO teams in the summer league.

All Prague clubs have struggled to find eleven players for every league match so this is something of a tall order. However, if we can recruit sufficient members and organise, it is possible.

#### 5. AOB

- We will suggest to CCU that each club nominates umpires for the summer league
- The Prague Barbarians will strictly adhere to the Spirit of Cricket as set out in The Preamble to the official Laws of Cricket (MCC). The umpire's decision must be respected.

The umpire may ask a player to leave the field if his conduct is unacceptable. Should a Barbarian find himself (or herself) in this predicament, no matter how unjust it be, he (or she) will comply.

We will organise an internal fine system that by the club officials

- Even Steve Reade said he would abide by this and "you can f\*\*\*\*g well minute that" he said.
- We should try to wear whites. It's in the CCU rules. SE will look into getting some club whites.
- Geoff will keep the website updated. Members pics and stats etc
- Geoff will look into procuring PBCC cricket shirts, club whites and polo shirts
- There will be a regular Captain's log (as it were)
- For each match the Club Captain (or the skipper of winter league sides) will post a match report
- Steve Reade will give 1000kc to the first player to hit a 6 for Barbarians in the Summer League
- The meeting was closed (time not minuted) More beer ordered and the following essential topic discussed:
